

KHIN KYI PHYU THANT

Yangon, Myanmar | 09759795668 | LAMM-LS05670@learning.educlaas.com

OBJECTIVE

My career goal is to become a proficient frontend developer and a skilled UI/UX designer, blending my technical abilities with my passion for art and drawing. I aim to create user-friendly and visually appealing digital experiences that resonate with users while continuously expanding my knowledge in both design and development to stay at forefront of the industry.
